

ARMS + ABS: Focused workout combining upper-body strength + core stability training to sculpt, tone + build strength.

BEAT BURN: Full-body, beat-driven workout using weights or bands to build strength, break a sweat + keep you moving to the rhythm.

BARRE FUSION: Low impact high intensity workout that blends elements of ballet, pilates, yoga + strength training. The movements are designed to build strength, definition + flexibility.

BOOTCAMP: High-energy, full-body workout using a mix of equipment + body-weight resistance for strength, endurance, + overall conditioning.

BUNS & GUNS: Low-impact sculpting class targeting the glutes, hips + arms through controlled, toning movements.

CARDIO + CORE: Station-based workout combining intervals of cardio + core training to boost endurance + strengthen the midsection.

DANCE FITNESS: Fun, high-energy cardio class featuring easy-to-follow repetitive choreography set to upbeat music for all levels.

MAT+MUSCLES: Low-impact, full-body strength workout combining weights + mat-based exercises, performed primarily kneeling, seated or lying down to target your core, arms, glutes + total-body.

MAT PILATES: Mat-based workout emphasizing core strength, posture, balance, & flexibility through controlled movements.

RIP+RIDE: High-energy cycling workout combining heart-pumping cardio with upper-body strength training using weights. Power through intervals, climbs + sprints while you build strength.

SCULPT: Full-body workout designed to build strength, increase muscle + improve definition. Using dumbbells + a variety of fitness equipment, we combine traditional weightlifting with lighter-weight sculpting exercises to challenge your muscles, improve endurance + leave you feeling strong + empowered!

SUNRISE CYCLE: Motivating early-morning ride designed to energize the body + boost endurance to start the day strong.

STRENGTH: Rooted in traditional strength training + functional movement. This low impact workout will have you sweating through dumbbell strength training blocks with minimal rest creating a high intensity but low impact burn.

TABATA: High-intensity interval workout alternating 20 seconds of maximum effort with 10 seconds of rest for total-body conditioning.

VIVE CYCLE: Structured indoor cycling session featuring resistance + speed intervals to build endurance + power.

YOGA: Balanced practice using poses, breath work + mindfulness to strengthen the body + calm the mind.
